PRIME MINISTER • PREMIER MINISTRE

November 9, 2017

Dear Friends:

I am pleased to extend my warmest greetings to everyone attending the Korean War Veterans Appreciation Luncheon.

Over the years, the Korea Veterans Association of Canada Unit 26, Hamilton, has fostered fellowship among members of the community who served in the Korean War. This event is a wonderful opportunity to reconnect with friends and to share treasured memories.

Today, I join with you in paying tribute to all Veterans of the Korean War. We will never forget the 516 Canadians who died in that conflict or the 1,558 who came home wounded. As we celebrate the 150th anniversary of Canada's Confederation, let us take this opportunity to honour those who have bestowed upon us the liberty and peaceful prosperity that we hold dear.

Please accept my best wishes for a memorable event.

Sincerely,

The Rt. Hon. Justin P. J. Trudeau, P.C., M.P.
Prime Minister of Canada

GREETINGS FROM THE HONOURABLE YONAH MARTIN

I am honoured to extend my warmest greetings to all the veterans, participants, and organizers in attendance at the Korean War Veterans Appreciation Luncheon at the Michelangelo Convention Centre.

Today's appreciation luncheon is in honour of the real-life heroes, our beloved veterans of the Korean War, and your families, to thank you for your service and sacrifice. Korean Canadians, like myself, from coast to coast to coast will forever remember all 26,791 Canadians who served during the War and those who served after the signing of the armistice, and your families whose lives were forever impacted. You fought for a country and a people that you knew little about, and for that, the Korean people of Canada and the world are eternally grateful.

I wish to commend the Korea Veterans Association of Canada Unit 26 for your continued dedication to your fellow veterans and for hosting today's luncheon.

On behalf of the Senate of Canada, best wishes for a wonderful gathering.

Sincerely,

The Hon. Yonah Martin
Deputy Leader of the Opposition in the Senate

THE OFFICE OF
MAYOR FRED
EISENBERGER
CITY OF HAMILTON

On behalf of City of Hamilton, it is my honour to welcome you to the Korean War Veterans Appreciation Luncheon.

We are blessed to have veterans of the Korean War in our midst from the City of Hamilton. Twenty-six thousand members of the Canadian Forces were involved in the 1950–1953 Korean War and its aftermath. Five hundred and sixteen Canadians died during the war.

It was just five brief years after the end of the Second World War that our troops were called upon to fight once more. You answered the call. We recognize today your bravery and courage. We acknowledge the sacrifice of those who gave their lives during the war.

The war is sometimes called the 'Forgotten War.' Nevertheless our veterans continue to have a place in our hearts and our memories. Korea is once again being read about and heard in the news. Let us pray that Canadians are never again called upon to make the ultimate sacrifice on the Korean peninsula.

Let us never forget.

Yours Sincerely,

Greetings from Mayor Goldring

On behalf of Burlington City Council, I would like to extend warm greetings to all guests here this afternoon as we honour and remember the RCN Korean War Veterans at the Korean War Veteran Appreciation Luncheon.

The City of Burlington is honoured to house the Naval Memorial Monument in Spencer Smith Park, which honours the memory of Royal Canadian Navy and Canadian Merchant Marine sea men and their ships that were lost during the Second World War and the Korean War. Every year, a number of services are held at this cenotaph, which are attended by community members, visitors and veterans from across our region. As a city, we are grateful for the opportunity to be able to honour these veterans in this way.

A sincere thank you to all the veterans and their families for their dedication and sacrifice for our country.

Sincerely
