#### HooJung Jones Kennedy's Speech

Good Afternoon. Ladies and Gentlemen, Korean War Veterans and distinguished guests,

It is our honour to organize the "United Nations 72nd Anniversary of the Battle of Kapyong/Gapyeong" ceremony to remember and honour our Korean War Veterans. "The Battle of Kapyong" is the United Nation's greatest Victory fought on April 23nd-25th, 1951 during the Korean War.

Chinese and North Korean Forces attacked the west central region, in the valley of the Kapyong River which was protected by the 27th British Commonwealth Infantry Brigade. The defensive position was established by the Australian 3RAR on Hill 504 and the Princess Patricia's Canadian Light Infantry 2 Battalion (2 PPLCI) on Hill 677 with the 1<sup>st</sup> Battalion Middlesex Regiment in reserve and the US, A Company 72nd Heavy Tank Battalion in support.

Fierce fighting forced the Australians to withdraw, which exposed the Canadians to massive enemy attack. The battle of Kapyong raged through the night. The 2nd PPCLI were surrounded by the enemy who had blocked their supply route. The supplies of ammunition and emergency rations were air-dropped by the US Air Force. The support from the 1st Battalion, Middlesex regiment enabled them to maintain their position, which was vital to the Brigade's defence. During the battle, 2PPLCI lieutenant, Mike Levy, who understood Chinese, requested "Danger Close", an artillery attack on their own position.

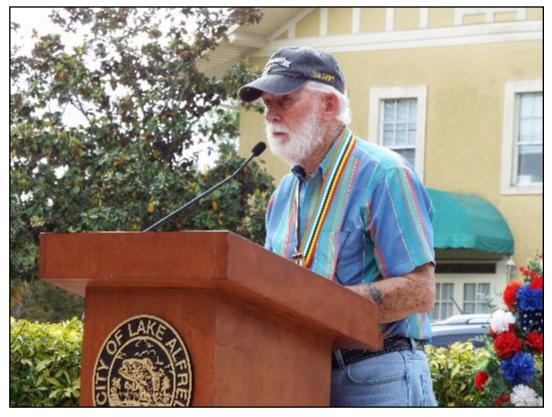

4 Star General James Van Fleet, the commander of the 8th Army and the UN forces awarded the "Distinguished Unit Citation" to the 2nd Battalion, Princess Patricia's Canadian Light Infantry, A Company, 72nd Heavy Tank Battalion and the 3rd Battalion, Royal Australian Regiment for their extraordinary bravery at the Battle of Kapyong. The "Distinguished Unit Citation" was later changed to the **"United States Presidential Unit Citation"**.

At the battle, a total of 47 were killed and 99 were wounded. (3 Killed in the U.S force, 10 killed in the Canadian force, and 32 killed in the Australian force) which were relatively light compared to the heavy causalities inflicted on the enemy (over 1,000 killed). They helped to save Seoul, the capital of the Republic of Korea and prevented millions civilian causalities. We will remember these brave fallen heroes. We also remember 31 fallen Korean War Veterans from Polk County including Son of General James Van Fleet, Capt. James Van Fleet was a pilot of B-26 and went missing in action during the Korean War, presumed dead.

As Monument Project Director (Government Grants), it was my honour to help erect two "Korean War Gapyeong Battle Victory Monuments" at the Meadowvale Cemetery, City of Brampton, Ontario, Canada on July 27<sup>th</sup>, 2021 and at the Fairview Ceremony, City of Niagara Falls, Ontario Canada on June 16<sup>th</sup>, 2022 with the dedicated Gapyeong Battle Monument Committee of Canada.

Without the Korean War Veterans who fought for peace and freedom of Korea saving millions lives including, my parents during the Korean War, I would not have been born and living in a beautiful county such as Canada and enjoying the warm weather and the great hospitality in Florida. Thank you very much for all your support to honour Korean War Veterans who are our heroes.
