As Co-Chairs of the Korean War Veterans Advocates of Canada, we are honoured to preserve the legacy of our Korean War Veterans by erecting the "Banff Korean War Battle of Gapyeong (previous known as Kapyong) Victory Monument" on Sunday 21 July 2024 in partnership with the Royal Canadian Legion Br. 26 Col. Moore in Banff, Alberta and Town of Banff. Each year, over 4.5 million tourists from the world travel to the Rocky Mountains and the beautiful town of Banff. The Royal Canadian Legion Br. 26 Col. Moore is located in the heart of Banff downtown.

26,791 Canadians served during the Korean War (1950-1953) and additional 7,000 served during the UN Peace Keeping Mission (1953-1955). 516 died including 10 fallen 2PPCLI soldiers and 1,558 were wounded with 378 buried in the Busan UN Cemetery in Korea. The Battle of Gapyeong/Kapyong is one of the greatest victorious battles in Canadian Military history. The Princess Patricia's Canadian Light Infantry 2nd Battalion was instrumental in the winning of the Battle of Gapyeong, April 23 - April 25, 1951. They received a "United States Presidential Unit Citation" for their valor during the battle.

Lt. Mike Levy requested "Danger Close" (artillery fire on their own position) during the engagement. This battle helped to save Seoul, the Capital City of the Republic of Korea (South Korea) and helped to preserve Peace and Freedom. It is the 110th Anniversary of the Princess Patricia's Canadian Light Infantry. The City of Gapyeong has generously donated the monument, base and four bronze plaques (5 ton) and shipping (approximately \$60,000). The Korean War Veterans Advocates of Canada was responsible for raising the funds for the monument erection, landscaping, organizing the monument dedication ceremony and the Veterans Appreciation Dinner at the Royal Canadian Legion Br. 26 Col. Dear Ms. Jones Kennedy and Major Kennedy:

Thank you for your invitation to attend the Banff Korean War Gapyeong Battle Victory Monument unveiling ceremony and Veterans Appreciation Dinner.

Without a doubt, the victory during the Battle of Gapyeong was a crucial achievement for Canadian troops during the Korean War, one of Canada's most significant military engagements of the 20th century. All Canadians owe a debt of gratitude to our Veterans for their courage and determination, and Veterans Affairs Canada is proud to have provided funding support, through the Commemorative Partnership Program, for the construction of the Banff Korean War Gapyeong Battle Victory Monument and for its unveiling.

I understand that the ceremony and dinner will be held at the Royal Canadian Legion Colonel Moore Branch 26 in Banff on July 21, 2024. While I appreciate your kind invitation, regrettably, I am unable to participate in this event due to previously scheduled commitments. That said, I extend my best wishes to those in attendance.

Again, thank you for writing, and I hope the event is memorable and inspiring for all present. In closing, please accept my gratitude for your dedication to preserving the legacy of our country's cherished Veterans and fallen.

Sincerely,

The Honourable Ginette Petitpas Taylor, P.C., M.P.

The Minister of Veterans Affairs and Associate Minister of National
